## Adopt a Family, Host a Toy Drive, or Donate Toys to help families in need.

The holidays and winter months are times that can be very difficult for those experiencing hardships.

Families that are struggling to supply their homes with basic necessities are often not able to ensure that their children have gifts for the holidays.

Receiving Christmas presents, or giving parents the ability to select toys for their children not only ensures that parents meet this need for their family, but also shows them that people care about their welfare. That alone is a great gift that can lend a sense of hope and give a feeling support that they might not have otherwise had.

Contact us by phone or email for more information about adopting a family, help with coordinating your toy drive, or to donate toys.

Lighthouse is a 501c3 organization,  
and our tax identification number is 35-2252834.
