

Back-to-School Backpack & School Supply Drive

Over the years, Lighthouse has helped hundreds of children with backpacks and supplies, allowing them to have a quality, enjoyable and successful school year.

"Providing a backpack for a child in need means giving the gift of hope for their future."

Help children in our community prepare for success!

Lighthouse Counseling and Family Resource Center

Each year, elementary school age children in our area return to school without the basics they need. This puts them behind their peers, even before the school years begin. Giving these children a new backpack filled with school supplies boosts their self-esteem, and gives them the tools and confidence needed to learn and thrive in school.

Help ensure academic success for underserved children in our area by hosting a backpack drive, or donating a backpack filled with basic supplies.

(Please donate by July 31st to allow us time to deliver backpacks to children.)

You can also make a monetary donation directly to Lighthouse at:
