## Donate gift cards for teens.

The holidays and winter months are times that can be very difficult for those experiencing hardships.

Families that are struggling to supply their homes with basic necessities are often not able to ensure that their children have gifts for the holidays.

For a teen, receiving a gift card ensures that they too will have something special during the holidays. It also shows them that people care about their welfare. That alone is a great gift that can lend a sense of hope that they might not have otherwise had. Help our teens feel supported during this time of year.

Contact us by phone or email for more information about donating gift cards or hosting a gift card drive.

Lighthouse is a 501c3 organization,  
and our tax identification number is 35-2252834.
